GIOVANNA BRUNO
MARKETING AND SOCIAL MEDIA INTERNSHIP
SUMMER 2025

It is my pleasure to recommend **Giovanna Bruno** who completed an internship with our organization. Throughout their time with us, they consistently demonstrated creativity, professionalism, and a remarkable eagerness to learn.

During the internship, Gio produced outstanding media content that elevated our projects and captured the essence of our mission. Gio also made significant contributions to UX/UI design, showing both technical ability and a strong sense of user-centered thinking. Beyond their direct contributions, Gio actively expanded their skill set by exploring new creative platforms, which brought fresh perspectives and innovation to our site.

Gio's collaborative nature and willingness to take initiative made them a joy to work with and a true asset to the team. I am confident they will continue to excel in any future endeavor.

I highly recommend Gio for any role in creative, design, or media-focused fields. They will bring the same passion, talent, and work ethic to your organization as they did to ours.

Sincerely,

Laura McCracken
